●

Interim Assistant Vice Chancellor for Data Science and Chief Data Officer

The University of Colorado Boulder

📍 Boulder, CO

 - Develop and coordinate campus wide data strategy to improve decision-making and operational excellence
 - Lead a team of 20+ researchers, analysts, BI developers, data scientists, data engineers, and front-end software developers charged with creating insights and products for campus stakeholders
 - Sustained and expanded campus partnerships (UIS, OIT, Faculty Affairs, SRC, OIEC, Undergraduate Education, FBS, HR, among others) to strategically advance documentation, infrastructure, security, and reproducibility
 - Strategically positioning ODA as a network of skilled data experts available to help campus with data and tools to fulfill our missions. This is an attempted middle path between “single source of truth” and “data miners looking for insights”
 - Coordinating Data Lake tear downs to save costs and reduce risk

Data Scientist → Director → Senior Director of Data Science

Capture Higher Ed

📍 Louisville, KY

 - Led a centralized data science team charged with R&D, data products, analytics, data engineering, data quality, and thought leadership. This group:
 - Generated ~10% of company revenue with a suite of data products including a student survey platform, an ML ensemble for enrollment outcomes that was 95% accurate, an analytic campaign reporting platform, and descriptive utilities for our marketing automation platform
 - Built and maintained a partitioned data warehouse using S3 and Athena. This multi-year project pushed the company toward an analytic-friendly data storage tool and dramatically advanced our descriptive and predictive capabilities
 - Provided thought leadership internally and externally. Examples include experimental design seminars to aid continuous improvement, sessions and training on algorithmic bias, webinars and conference presentations on data science, public code repositories for SAT/ACT concordance transformations, national conference Twitter analytics, and a podcast for higher education professionals that was downloaded >19K times prior to relaunch
